

GameOn

Terms of Service

Effective date: August 11, 2026

These Terms of Service govern your use of GameOn, a tennis matchmaking app. Please read them before creating an account or accepting a match.

1. Acceptance of terms

By creating a GameOn account or using the GameOn app, you agree to these Terms of Service. If you don't agree, please don't use GameOn.

2. What GameOn is

GameOn is a matchmaking tool that helps tennis players find opponents of a similar skill level (Elo rating) nearby, and suggests public courts to play at. GameOn does not own, operate, or manage any tennis courts, and is not responsible for court availability, condition, or booking.

3. Your account

- You must provide accurate information when signing up and keep your login secure.
- You're responsible for activity that happens under your account.
- You must be at least 13 years old to use GameOn.
- You can delete your account at any time from your profile settings.

4. Playing matches — assumption of risk

Tennis and travel to/from matches involve physical risk. When you accept a match through GameOn, you're agreeing to meet another user in person at a court you both select. **GameOn does not vet, background-check, or supervise users**, and is not responsible for what happens during or around a match arranged through the app. Use ordinary caution: meet in public, tell someone your plans, and trust your judgment.

5. Conduct

- Be honest about your skill level — sandbagging your Elo undermines matchmaking for everyone.
- Don't harass, threaten, or discriminate against other users, in the app or in person.
- Don't use GameOn to advertise, solicit, or run scams.
- Don't attempt to access other users' accounts or interfere with the service (e.g. scraping, reverse-engineering the matchmaking algorithm, or abusing the API).

We may suspend or terminate accounts that violate these rules.

6. Elo ratings and match results

Elo ratings are calculated automatically from reported match results and are provided for matchmaking purposes only — they're an estimate of relative skill, not an official ranking. We may correct or reset ratings if we detect abuse (e.g. fake results).

7. Location and court information

Court information (address, surface, lighting) is sourced from third-party map data (Google Places) and may be incomplete or out of date. Confirm court details independently before traveling.

8. Third-party services

GameOn relies on third-party providers — Clerk, Google Maps/Places, PostHog, Resend, and our hosting infrastructure — to operate. Your use of GameOn is also subject to the availability of those services.

9. Disclaimers and limitation of liability

GameOn is provided "as is," without warranties of any kind. To the fullest extent permitted by law, GameOn and its operators are not liable for indirect, incidental, or consequential damages, or for any injury, loss, or dispute arising from a match, court visit, or interaction with another user arranged through the app.

10. Changes to these terms

We may update these terms as GameOn evolves. Continued use after an update means you accept the revised terms.
